

Woodland Star Educational Foundation

Supporting Woodland Star Charter School since 2000

Business Sponsorship Program

We are excited to present our 2nd year of the “Sponsor our School” Program and you are invited to join us! Your investment will help us fulfill our mission of educating over 240 children annually to become creative thinkers ready to positively influence the world around them.

Woodland Star is a public kindergarten through eighth-grade charter school located in the heart of the Sonoma Valley. Since 2000, we have implemented a Public Waldorf curriculum that honors the intellectual, physical and emotional needs of children by teaching them to encounter, explore and engage.

As with all the independent charter schools, Woodland Star Charter School relies on charitable contributions to be able to offer the **unique Public Waldorf curriculum and specialty programs that teach the mind by engaging the hands and hearts of each child.** Our academically rigorous, arts-infused curriculum includes a variety of engaging experiences such as woodwork, Spanish, movement, music, painting, knitting, and drawing.

The faculty, staff and the school community support the development of competent, confident and responsible students who will achieve academic and personal habits and attitudes desired of an educated citizen in the twenty-first century.

We are able to offer these exciting and challenging programs because we receive generous tax-deductible contributions from businesses and individuals like YOU. Please review the following sponsorship opportunities and join us by filling out the enclosed form.

Thank you for your attention and support.
Sincerely, Woodland Star Educational Foundation
