

Woodland Star Educational Foundation
Supporting Woodland Star Charter School
Sonoma Valley Unified School District
Woodland Star is Powered by Solar Energy

June 20, 2010

Dear Woodland Star Supporter,

This year Woodland Star Parents will be participating in the Pacific Grove Sprint Triathlon, September 12, 2010. We have many enthusiastic parents taking part in the Triathlon to support Woodland Star Charter School. We are all aware of the State Cuts to Education and really wanted a way to get moving and support our school and have fun at the same time!

Woodland Star is a tuition-free K-8 charter school serving the whole child: head, heart and hands. The Waldorf-inspired curriculum at Woodland Star is academically rigorous and enhanced by a broad array of specialty classes including music, foreign languages, art, handwork and woodwork. The proceeds from this event will be donated directly to Woodland Star Charter School, helping reduce the effects of state budget cuts.

We are inviting local community members to sponsor our event. We are looking for monetary donations or in kind trades for our team in exchange for logos on our team t-shirts, logos on our web site, letter head and mention in articles in local news papers. Please see the attached for all the details.

We have a level of sponsorship for everyone! Please see back for full details and call Paul Benson, Event Chair, 933-3082.

Thank You,

Sponsorship Team
