Dear Friend of Woodland Star,

Happy New Year!

Please consider donating to our auction benefitting Woodland Star Charter School. The auction is scheduled to open for online bidding on March 1, 2012.

This last summer, our small kindergarten through eighth grade school was hit with a state budget cut of \$318,000. This leaves our community desperately trying to raise funds to keep our public Waldorf-inspired curriculum intact. We deal with this shortfall through a very strong family pledge program, additional fundraisers and an enormous amount of parents and families volunteering.

The Annual Online Auction is one of the main fundraisers we use to support our Specialty Programs; handwork, Eurhythmy, Spanish, movement and woodworking at Woodland Star Charter School. Our auction will close on March 15, 2012.

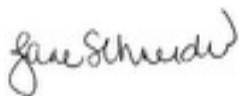

To donate, please fill out and return the enclosed auction form; or go directly to www.biddingforgood.com/woodlandstar and click on the "Donate Items" icon to complete this process online. Our deadline for donations is **February 10, 2012**.

As you know, your donation is tax-deductible. What you may not know is that our auction will be "live" on the Bidding for Good website for 14 days; and during those two weeks your business will get nationwide exposure. Last year's auction attracted bidders from all over the country! In addition, you'll be reaching Woodland Star Charter School's large community of parents, teachers, volunteers, families and friends who will be very grateful for your generosity.

If you have questions, please contact Monica Conway at (707) 996-3849, or development@woodlandstarschool.org.

On behalf of the Woodland Star Education Foundation, thank you for your support of the students and faculty of Woodland Star Charter School.

Sincerely,

Jane Schneider
